

Drop In Center

Westmont Community Center
75 East Richmond

July - December 2010 Schedule

Welcome to the Drop In Center! Listed below is a schedule of activities for the upcoming months. Each program begins at 1:00 p.m. with lunch, followed by the activity of the day, and ends at 4:00 p.m.

For community trips, registration is necessary due to limited seats in the vehicle. Please register with the **Supervisor** on the date **preceding** the activity. If more people register than there are seats available, a waiting list is created with the additional names. On the day of the trip, registrants should arrive 15 minutes before departure or their seat will be assigned to someone on the waiting list. Participants are required to pay admission and any other expenses involved during the trip.

On community trip days, the Drop In Center may be closed and signs will be posted. If you have any questions, please contact SEASPAR at 630/960-7600.
