

STROKE SUPPORT GROUP

strokegroup@gmail.com

The Stroke Support Group through Adventist Hinsdale Hospital, Adventist La Grange Memorial Hospital, and SEASPAR offers educational, social, and recreational opportunities to stroke survivors, their families, and caregivers.

- Educational lectures are provided in an open, friendly forum, and targeted on stroke-related topics. All topics are designed to give current and useful information.
- The social aspect provides an opportunity for members to re-enter community events in a safe and friendly atmosphere. Members help each other face and overcome common problems by sharing experiences and offering encouragement to one another.

Meetings

Meetings are held at various locations. Please contact Adventist Hinsdale Hospital, Adventist La Grange Memorial Hospital, or SEASPAR for further information about monthly meetings.

Meetings are held the second Wednesday of the month from March to December. Meetings run from 10:30 a.m. to noon unless otherwise specified. A monthly reminder which includes time, location, and extra activity cost to participants, if any, is sent prior to the meeting.
