## From the Executive Director

### Fall Greetings!

Best wishes to Ann Franczyk on her retirement from her full-time Administrative Assistant position at SEASPAR. We thank Ann for her 10 years of service and the many talents she shared with the organization. We still expect to see her around the office working on special projects and at the programs for which she volunteers. We know that SEASPAR's loss is her family's gain.

SEASPAR continues the celebration of its 40<sup>th</sup> anniversary throughout the fall. It has been fun to look back and remember all the people, organizations, and events that have shaped the first 40 years. On behalf of everyone at SEASPAR, thank you for encouraging and enabling it to grow and provide the services that are now available. Those who founded the organization 40 years ago had a vision, but most would agree that they could not have imagined all that has transpired.

I recently spoke with Bud Sherman, SEASPAR's founding Board member from Downers Grove and President of the Board of Directors for more than 16 years. When asking about what provided the impetus to form SEASPAR, he said, "We all just said that it seems like something we should do. We need to reach out to more members of the community. This was something people needed."

Bud offered this insight as SEASPAR moves into its 41<sup>st</sup> year. "Keep doing what you're doing. Keep an open mind as to what opportunities may come up. Realize that things may be tried and not be successful, but this happens everywhere. Ford Motor Company had an Edsel, but they're still in business and still doing well!"

SEASPAR's vision to discover abilities, achieve potential, and realize dreams will come to life as we see our participant's artistic creations at the agency's first Art Show. It will be at the Darien Sportsplex on November 3. Check out the details on page 47.

Don't miss the Holiday Spectacular on Monday, December 5 at the Theatre of Western Springs. This special event is a showcase of the amazing musical and theatrical abilities of SEASPAR's participants. See the back cover for details. The public is encouraged to attend.

Enjoy all that fall has to offer by taking in the autumn colors and all of nature's bountiful harvest.

**Board Meetings:** The SEASPAR Board meets the third Tuesday of every month at SEASPAR at 3:30 p.m. For information, call 630.960.7600. The public is welcome.

Welcome to the final issue in our series of program guides celebrating our 40<sup>th</sup> anniversary! We hope you've enjoyed traveling back through SEASPAR's history in the days of disco, rollerskating, and Beanie Babies.

This fall issue brings us up into the 2000s, commemorating the latest 15 years of SEASPAR. Whether you've been with us from the start or are new to our programs, we hope you've had fun learning more about the story of SEASPAR!

# staff appreciation

**SEASPAR thanks all of the dedicated and caring support staff and volunteers for their time and hard work during the summer program season. Their efforts make it possible for SEASPAR to offer quality programs!**

## 2016 Staff Awards

At the Believe & Achieve Banquet on May 18, support staff members were recognized for their longevity at SEASPAR with special gifts. In addition, the following awards were presented to exceptional staff for their outstanding dedication to programs and participants.

### Super Star Award – Amy Klama

Amy Klama was hired in June of 2007 and she frequently goes above and beyond the “call of duty” without expecting extra recognition. She is happy to accept responsibility with a smile and optimistic outlook. She has worked in various program areas including weekly programs, EAGLES, and inclusion. Whether she is working with youth or adult participants, she can always be trusted to provide a safe and successful program for the participants. She is a valued member of our part-time staff team and we are happy to acknowledge her positive presence at SEASPAR.

### Leading Light Award – Katie Lyter

Katie Lyter was awarded for her dedication to the EAGLES program as well as her positive attitude. She has done an exceptional job in the multiple roles during her short time with SEASPAR and has exceeded expectations within each of them. She started her journey with SEASPAR in March of 2015 and hit the ground running from day one. She is always willing to step into a leadership role when the opportunity presents itself, and she also does a great job building positive relationships with each of the EAGLES participants and staff. When we were looking for a recipient of this year’s Leading Light Award, it was easy to see that Katie Lyter was more than deserving of this recognition!

### Virtuous Volunteer Award – Liz Huskey and Otis

One of the 2016 Virtuous Volunteer Award recipients was a first in the history of SEASPAR because he was not a human being, but a canine that has lifted the spirits of and provided hours of enjoyment for many SEASPAR participants. Liz Huskey began volunteering with the EAGLES program four years ago with her newly certified therapy dog, Otis. Liz and Otis would visit multiple EAGLES sites at least once a month. Liz has all of the participants work with Otis, doing tricks and basic dog obedience. They also go for walks and Otis teaches them what his needs are, like being groomed and fed. Their visits are greatly anticipated by participants and staff. We appreciate Liz and Otis’ dedication to SEASPAR and our participants.

## SEASPAR congratulates all of the award recipients!

### Park Pursuit Champions

On May 10, SEASPAR staff competed in the Illinois Park and Recreation Association’s Park Pursuit competition, and took first place for the second time!

The Park Pursuit is a scavenger hunt similar to the show *The Amazing Race*, but is all run on foot. This year’s event took place in Oak Brook, and staff members Matt Corso, Aaron Hirthe, Dawn Krawiec, and Greg Pavesich brought home the traveling trophy to spend its second year with us. Join us in congratulating Team SEASPAR!

## Swimming

SEASPAR has partnered with Coach Eve Learn to Swim and its certified instructors to provide quality swim lessons. In these progressive classes, swimmers are introduced to basic water skills, breath holding, and a number of submerging progressions which lead the participants to unassisted swimming. Activities encourage self-confidence and strengthen gross motor skills. Swim lessons are taught in a small group, and 1:1 assistance is provided as determined by the staff. Please be aware that we share the pools with the public. **Note:** A waiver for The Hyatt Lodge is sent with the program confirmation and must be returned by September 9.

All abilities are welcome, as instruction is tailored to each individual's progress. **Note:** A waiver is sent with the program confirmation and must be returned by September 9.

## Music Lessons

Research demonstrates that studying music makes you smarter! Participants ages five and older can choose between piano, keyboard, drums, or voice lessons. Bring a spiral notebook, pencil, and any music books you have used in the past. Participants should indicate their lesson time on the registration form. Guitar students must provide their own guitar, and drum students need drumsticks and a practice pad. Lessons are one half-hour each.

**Note:** Returning students retain their lesson time if they register by August 15.

In silent movies, Don Lockwood and Lina Lamont are a hot item, but behind the scenes, things aren't as they appear on the big screen. Meanwhile, Lina's squeaky voice might be the end of her career in "talking pictures" without the help of a talented young actress to do the talking and singing for her. ## Drop-Off/Pickup

SEASPAR asks that parents promptly drop off and pick up participants at the designated program times. Before programs, staff are busy preparing for the program and are unavailable to supervise participants. After programs, staff may be scheduled at another facility and need to depart soon after the program. By allowing them to complete their work promptly, SEASPAR can operate more cost-efficiently. Be sure to check in with the staff when dropping off and picking up your child.

Families of participants who are not picked up promptly are sent a letter that serves to remind them of the concern. If the situation continues, a charge is imposed for subsequent late pickups. If a participant is picked up late (more than 10 minutes) three times in three months or less, a warning is sent stating that the next late pickup results in a payment due to SEASPAR for the overtime. A rate of \$18 per hour is used. Payment is due to SEASPAR within one week of notification. If not paid promptly, the amount is due prior to the next registration. The staff makes every effort to return on time from all outings; we ask your cooperation in making pickups promptly.

If a participant is traveling home unsupervised, parents or case managers must submit written notice to the SEASPAR office. Please submit this notice with the registration form. We ask that you notify SEASPAR if someone other than a familiar family member is picking up your child.

## Absences

When a participant cannot attend an activity, families should notify SEASPAR. The number of staff hired for a program is based on perfect attendance. Help us avoid unnecessary expenses by advising us if a participant will be absent. For special events, this allows those on the waiting list to attend and means that no tickets are wasted. Messages may be left on the after-hours absence line. We realize that last-minute absences may not allow for notice; however, we appreciate your assistance and cooperation.

## Family Playgroup

Child and Family Connections and SEASPAR have joined together to offer playgroups to families of children with a disability, ages birth to three years. The goal of the playgroup is to bring families together in an open format, to play with other children, and to meet other parents with similar experiences. Toys, balls, books, the Wonders multi-sensory room, and more are available. Siblings are encouraged to attend. The group meets the second Tuesday of the month from 9:30–11 a.m. at the SEASPAR program room at the Lisle Recreation Center. For more information, contact Jenny Somone at Child and Family Connections at 630.493.0400.

## Inclusive Programs

As part of SEASPAR's continuum of recreation programs, inclusive services are provided for residents who wish to participate in general recreation programs. For many individuals with disabilities, participating alongside their peers without disabilities is a beneficial and rewarding experience. SEASPAR can provide services to enhance an existing program by training staff, adapting activities, developing behavioral modifications, and/or providing additional support staff.

Parents should be aware of a few simple guidelines prior to enjoying an inclusive recreation experience. First, register according to the park district/recreation department policies. Be sure to indicate on the registration form that your child needs an accommodation. Next, the participant should be able to follow the rules of conduct for the program, either with or without accommodation, and be willing to voluntarily participate in scheduled activities. SEASPAR and its member entity staff encourage and aid, but do not force participation. After registering, the member entity and SEASPAR work cooperatively with you to provide reasonable accommodations. For more information, contact Catherine Morava at 630.960.7600.

## Stroke Support Group

SEASPAR, in cooperation with Hinsdale Hospital and La Grange Memorial Hospital, sponsors the Stroke Support Group for those who have had a stroke and their family and friends. It provides educational sessions about strokes and how to rebound following a stroke. Members encourage one another to face and overcome common problems by sharing their own experiences. The group provides a welcoming atmosphere and a sense of understanding, especially for those with communication and physical limitations. Strength can be drawn from one another in this type of environment. A schedule of activities and trips is available on our website at SEASPAR.org. For more information, visit our website at SEASPAR.org/Stroke-Support-Group or contact Greg Pavesich at 630.960.7629.

## Throwback Fact

**SEASPAR's Kiwanis Aktion Club was formed in 2005 in partnership with the Kiwanis Clubs of Downers Grove and Lombard.**

**Since its creation, the Aktion Club has raised and donated more than \$10,000 to nearly 30 charities, and performed service projects for 25 organizations. On its tenth anniversary, it was awarded the Kiwanis International's Distinguished Club Award for 2014-2015.**

## Aktion Club

Through the joint sponsorship of the Downers Grove and Lombard Kiwanis Clubs and SEASPAR, the SEASPAR Aktion Club is a unique community service organization designed for adults who wish to help others. Each year, the group conducts fundraisers to support local, state, national, and international projects. It also performs several service projects

annually and competes in state and international Aktion Club contests. Due to the nature of this club, members must be able to perform service activities independently or with minimal supervision or support. For more information, contact Susan Friend at 630.960.7600.

## SEASPAR/WDSRA Agreement

SEASPAR and the Western DuPage Special Recreation Association (WDSRA) have an agreement that allows residents of each SRA to register in the weekly programs and special events of the other at their in-district rate. Overnight trips are not included. Registrations must be submitted by the agency's deadline, and are processed after those of the agency's residents. WDSRA serves the communities of Bloomingdale, Carol Stream, Glen Ellyn, Naperville, Roselle, Warrenville, West Chicago, Wheaton, and Winfield. For more information, contact SEASPAR at 630.960.7600. For a copy of the WDSRA brochure, contact WDSRA at 630.681.0962 or visit its website at [WDSRA.com](http://WDSRA.com).

## Program Grants

The SEASPAR Board and staff are committed to offering programs at the lowest possible cost. However, due to financial restrictions, some individuals may find it difficult to pay the entire fee. To help those in need, a significant amount of grant funds are made available for participants through the generosity of donors. Each year, community organizations and individuals contribute funds that are earmarked for program grants. We appreciate this support which allows participants to benefit from activities.

Generally, grants are available for up to 50% of the program fee. Any balance due from a previous season must be paid prior to receiving additional grant funds. Grants are not available for overnight trips, and are only available to SEASPAR residents. Arrangements for a payment schedule are also possible to make the payment of fees more feasible. Visit [SEASPAR.org](http://SEASPAR.org) or call the SEASPAR office to obtain a program grant application.

## Participant Expectations

SEASPAR provides leisure opportunities for individuals with disabilities, and while participating in our programs, we stress socialization skills, appropriate behavior, and personal appearance. For the dignity and acceptance of individuals with disabilities, and for their overall self-esteem and enjoyment in community outings, the staff has developed a list of participant expectations. We ask that you assist us in fulfilling these basic guidelines. The participant guidelines were developed for the betterment of our participants, their self-esteem, and normalization.

- Clean, dry clothing.
- No bowel/bladder problems upon arrival at the program. If this is a concern, extra clean clothing, cleanup supplies, and Depends garments must be sent with the participant.
- Attention to body odors (should smell fresh).
- Appearance should be clean.
- Appropriate attire for program participation (gym shoes, warm-ups, or loose-fitting clothing for athletic, sports, or exercise programs). If you have questions about attire, contact SEASPAR at 630.960.7600.

Staff will be consistent in stressing personal hygiene while participants are at programs.

## Participation

Participants should be willing to voluntarily participate in the scheduled activities. SEASPAR staff encourage and aid, but do not force participation.

## Code of Conduct

SEASPAR asks all participants and family members to observe the behavior code below, which was developed to ensure enjoyable and safe program experiences. SEASPAR will attempt reasonable accommodations to enable participants to meet behavior expectations.

- Show respect to all participants, staff, and public.
- Listen to and comply with staff direction and program rules.
- Allow others in the program and others at public facilities to enjoy the activity without disruption (within reason).
- Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.
- Refrain from causing bodily harm or aggressive physical contact.
- Show respect to equipment, supplies, and facilities.

Additional rules are developed for specific programs as deemed necessary by the staff.

## Discipline

SEASPAR applies a caring, positive approach to discipline. Staff review rules with participants and are willing to work with parents to develop behavior modification programs as necessary. When conduct expectations are not met, staff will take reasonable steps to accommodate the behavior and minimize future risks. However, when accommodations are attempted and are unsuccessful, or when no reasonable accommodation exists to avoid future risks, SEASPAR may take actions such as removing a participant from an activity for a short period of time, removing a participant from an activity for the remainder of the day, suspending participation for the next program meeting, or suspending participation in that program for the remainder of the season. Notwithstanding SEASPAR's option to use progressive discipline, SEASPAR is not required to do so and may, at its sole discretion, forgo lesser forms of discipline at any time, and proceed immediately with suspending participation for the remainder of the season.

Listed below are examples of reasons for disciplinary action. This list, however, does not constitute a comprehensive list of all acts which may subject the participant to disciplinary action, including suspension from any program or activity. Instead, the following list sets forth some of the more typical circumstances that arise. They include, but are not limited to:

- Making loud noises in particular settings where quietness is expected.
- Inability to sit quietly in theaters, concerts, etc.
- Showing lack of respect for other participants/patrons at activities.
- Running in crowded areas or bolting from the group – this can cause disruption or be a significant safety problem.

## Please Check In

When arriving at and departing from programs, parents are asked to check in with staff before leaving or taking their child. **Note:** SEASPAR staff are not responsible for supervision of participants prior to the start of the program.

## Wellness Guidelines

In consideration of other participants and staff, and to prevent the spread of contagious illnesses, it is recommended that participants refrain from attending programs when any of the following conditions exist:

- Fever of 100° or higher within the last 24 hours.
- Vomiting within the last 24 hours.
- Persistent diarrhea in conjunction with other symptoms.
- Contagious rash or a rash of unknown origin.
- Persistent cough and/or cold symptoms.
- Eye infections or discharge from the eye.
- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, or Cocksackie's virus.
- Fatigue due to illness that hinders participation in a program.
- Runny nose with yellow or green discharge.
- Lice or mites.

Please notify SEASPAR if the participant contracts any contagious illness that will affect attendance at a program. Participants should return to programs at the doctor's recommendation, or, if not under a doctor's care, when the symptoms have clearly passed.

## Medication Dispensation

The exchange of medication, information, and participants can become hectic as a group prepares to leave for an activity or at the beginning of a program. To be sure that all medication is in order and staff has the appropriate information, we ask you to put medication in specially marked envelopes, complete the label, and give it to the program supervisor before the group leaves. To make the process work more efficiently for overnight trips, envelopes are sent to you along with the packing list. For day trips, staff provides envelopes at the drop-off point. For the convenience of those who are involved in many outings, or who take medication frequently, we are happy to provide a supply of labeled envelopes.

## Atlanto Axial Subluxation

Individuals with Down Syndrome are at risk of having Atlanto Axial Subluxation Condition (ASC) that causes increased mobility in the cervical spine. For the safety of our participants, individuals with Down Syndrome are not allowed to participate in the butterfly stroke in swimming, diving, tumbling, gymnastics, high jump, and other activities unless they have tested negative for ASC. An x-ray determines if the condition is present. For more information, contact SEASPAR at 630.960.7600.

## ADA Statement

SEASPAR is committed to accessibility for all individuals with disabilities, and strives to comply with the 1990 Americans with Disabilities Act by providing reasonable accommodations for all individuals. Please advise SEASPAR of any special assistance or accommodation required to participate in programs. This program guide is available in an alternate format upon request. Individuals who have an accommodation concern should contact Susan Friend at 630.960.7600.

## Weather Cancellations

Weekly programs and special events may be cancelled due to inclement weather. To check the status of a program, call the SEASPAR office at 630.960.7600 one to two hours before the program begins, or between 4–4:30 p.m. for evening programs. If a program is cancelled, staff attempt to reach all participants by phone to inform them of the cancellation. After hours, program changes are available on the program update selection of SEASPAR's phone system. If indoor facilities are available for weekly programs, the program is held as usual. Programs cancelled due to inclement weather are not rescheduled.

## Severe Winter Weather Guidelines for Cancelling Programs:

**Outdoor programs or programs with transportation for participants with physical disabilities:**

- Temperature of zero or wind chill of -10° or less

**All other programs with transportation:**

- Temperature of -10° or wind chill of -20° or less

All programs (including indoor) are cancelled during snowstorm or blizzard situations when driving restrictions and emergency accident plans are in effect (e.g., winter storm or blizzard warnings).

## Loss or Theft

Label all items brought to programs with the participant's name. Any electronic communication device or adaptive equipment must be checked in with a staff member upon arrival at the program. Participants are encouraged not to bring items of value. SEASPAR is not responsible for theft or loss of personal belongings.

**Watch for your winter-spring brochure to be delivered in early December!**

## Non-Resident Fee Policy

SEASPAR does not accept non-resident participants unless they reside in an unincorporated area. (See page 39 for information on the SEASPAR/WDSRA agreement.) An unincorporated area is property not within the boundaries of a park district or municipality, e.g., village, town, city. A 100% increase in fees is charged for non-residents to participate. Example: A \$20 resident fee is multiplied by two for a total of \$40. Registration forms for non-residents are accepted at any time, but are not processed until resident registration is completed. In all cases, residents are given priority and non-residents are admitted to programs only after all interested residents are served.

## WAIVER AND RELEASE

### IMPORTANT INFORMATION

SEASPAR is committed to conducting its recreation activities in a safe manner and holds the safety of participants in high regard. SEASPAR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate.

You are solely responsible for determining if you or your minor child/ward is physically fit and/or skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way, recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

### WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of the participant. Despite careful and proper preparation instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. Understandably, not all hazards and dangers can be foreseen. Depending on the particular activities, participants must understand that certain risks, dangers, and injuries due to inclement weather, slipping, falling, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction, or officiating, and all other circumstances inherent to indoor and outdoor recreation activities exist. In this regard, it must be recognized that it is impossible for SEASPAR to guarantee absolute safety.

### WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this information carefully and be aware that in signing up and participating in activities, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages, or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with these activities (including transportation services/vehicle operation, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in these activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in these activities against SEASPAR, including their officials, agents, volunteers, and employees (hereinafter collectively referred to as "SEASPAR").

I do hereby fully release and forever discharge SEASPAR from any and all claims for injuries, damages, or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with these activities.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver, and release of all claims.

In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.
