SEASPAR Summer Camps

SEASPAR's 2017 Day Camp is heading into The Great Outdoors!

Venture into this year's adventure as we explore The Great Outdoors! Campers have a lot to encounter this summer as they journey through the open air to new discoveries through a variety of exciting expeditions prepared by camp staff. Traditional day camp activities are planned, as well as some new experiences!

Camp Goals

Day Camp provides a structured environment in which to enjoy productive leisure activities. To campers, the best things about Day Camp are swimming, friends, and counselors. While these are essential parts of the program, the following goals are also met through participation:

- Improve each child's motor skills and physical fitness;
- Improve each child's swimming ability;
- Encourage each child to play with other children and make new friends;
- Help children retain their school year academic skills through activities to aid in increased attention span, fine motor skills, language skills, and self-expression;
- Help children learn about and enjoy recreation activities and facilities available in the SEASPAR area;
- Provide daily experiences that help each child feel successful and good about himself/herself.

Camp Calendar

Campers swim one or more days per week at an outdoor pool. SEASPAR counselors assist swimmers in the pool, and lifeguards are on duty to assure each person's safety in the water. Several field trips are taken throughout the camp session. Dates and destinations for field trips will be in a separate calendar which is mailed in early June. Review the calendar carefully and post it in a convenient place for easy referral. It includes many important times, dates, and locations.

Transportation

Bus Service and Rules

If you have chosen the busing option, pickup and drop off points are located at:

- **Centennial Community Center**, 16028 127th Street in Lemont
- **Park District of La Grange Recreation Center**, 536 East Avenue in La Grange
- **El Sierra School**, 6835 Fairmount Avenue in Downers Grove

Have your child at the pickup point on time as the bus will not wait. A staff member will be on the bus to ensure a safe trip for everyone.

The “Three Write-Up Rule” applies to all campers. If there is a problem with a camper on the bus (e.g., hitting, swearing, getting out of the seat), the incident is documented by the staff member, and the parents are notified. SEASPAR staff will work with the child and parent to prevent the incident from occurring a second time. If a second incident does occur, the same procedures are followed. On the third incident, the camper will no longer be permitted to ride the bus. This rule is for the safety of all involved.

Car Seats and Harnesses

Parents of children who are under eight years of age may provide a car seat for their child if they wish. The car seat will need to be installed and taken out of the bus daily and meet all safety standards. If your child wears a harness on the bus during the school year, a harness is required for camp as well. Please make sure that SEASPAR is aware that your child needs a harness.

Drop Off and Pick Up

Parents who drop off or pick up their child at times other than those previously arranged must first call SEASPAR to notify the Site Director. Parents who are providing daily transportation for their child should arrive at El Sierra School at 9 a.m. or the Centennial Community Center at 9:30 a.m. Counselors are not able to take campers any earlier. Please walk your child into the building and check in with the Site Director. When picking up your child, wait near the entrance of the building for the group to exit at 3 p.m. at El Sierra School, or 3:30 p.m. at the Centennial Community Center. A counselor will meet you at the entrance of the building with your child. You will be asked to sign your child in and out each day.

Proper identification is required in order to pick up your child. Only those individuals listed on the information form will be allowed to pick up their child.

Information & Policies

Absences

If your child will be absent for any reason, call SEASPAR at 630.960.7600 by 8 a.m. and leave a message. That message will be forwarded to the camp staff.

Camper Illness Policy

Help us keep everyone healthy! If your child is ill or has a fever, we discourage his or her participation. If a child becomes ill during camp, a parent will be notified and asked to pick up the child. If a parent is unavailable, the emergency contact will be called. Your child must be fever-free for 24 hours before returning to camp. In case of an illness or contagious disease, please notify SEASPAR.

Medication

If your child is to receive medication during camp, all medication must be in envelopes provided by SEASPAR and labeled with the camper's name, medication, dosage, and time to be administered. A supply of the medication for the duration of the camp in the prescription bottle, along with specific instructions for administering the medication, is to be turned in to SEASPAR by **Friday, June 9**. Staff log medication distribution and require the medication before camp begins. **No medication is allowed on the bus.** Please abide by these rules for the safety of your child and others attending camp.

Day Camp Code of Conduct

SEASPAR asks all participants and family members to observe the behavior code below which was developed to ensure enjoyable and safe program experiences. SEASPAR will attempt reasonable accommodations to enable participants to meet behavior expectations. Additional rules are developed for camp as deemed necessary by the staff.

- Show respect to all participants, staff, and public.
- Listen to and comply with staff direction and program rules.
- Allow others in the program and others at public facilities to enjoy the activity without disruption (within reason).
- Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.
- Refrain from causing bodily harm or aggressive physical contact.
- Show respect to equipment, supplies, and facilities.

Discipline

SEASPAR applies a caring, positive approach to discipline. Staff review rules with campers and are willing to work with parents to develop behavior modification programs as necessary. When conduct expectations are not met, staff will take reasonable steps to accommodate the behavior and minimize future risks. However, when accommodations are attempted and are unsuccessful, or when no reasonable accommodation exists to avoid future risks, SEASPAR may take actions such as removing a camper from an activity for a short period of time, removing a camper for the remainder of the day, or removing a camper from camp for the rest of the summer. Notwithstanding, SEASPAR is not required to do so and may, at its sole discretion, forgo lesser forms of discipline at any time and proceed immediately with suspending participation from camp.

Information & Policies (cont.)

Lunch

Campers are responsible for bringing their own lunch and beverage each day. SEASPAR provides a “Kool-Aid”-like beverage as supplemental refreshment on hot and especially active days.

Sunscreen

Because of the nature of the program, much of the day is spent outdoors. In order to protect your child from sunburn, please provide a labeled bottle of sunscreen with an SPF (sun protection factor) which adequately protects your child’s skin. Sunscreen can be brought to SEASPAR or sent with your child on the first day of camp.

Camp Clothing

Campers should wear comfortable play clothes. Gym shoes and socks are required. Sandals and shoes with heels are strongly discouraged due to the active nature of camp. Please label each piece of clothing with your child’s name. Mark shoes, towels, underwear, swimsuits – everything! Also, it is advisable to send an extra set of clothes to be kept at camp.

T-Shirt and Backpack

Your child is provided with a SEASPAR t-shirt and backpack. Please have your child wear the t-shirt on field trip days. The backpack should be used daily to carry lunches, swimsuits, and other items. Please send an old shirt or smock for your child to wear while painting.

Diapers and Wipes

If your child wears diapers, you will need to supply them. Diapers can either be sent daily or brought to camp on a weekly basis. Wipes must also be provided.

If your camper wears disposable pull-ups or diapers, it is required that he or she also wear a swim diaper in the pool. There are two different types of swim diapers available. The first is a disposable swim diaper. Disposable swim diapers are different from traditional disposable diapers as they do not disintegrate in water. Traditional diapers or pull-ups are not permitted in the pool. The second type of swim diaper is reusable. The diaper comes in a variety of sizes and colors and can be used day after day.

Both disposable and reusable swim diapers are found in stores such as Walmart, Target, and Toys"R"Us. Campers who wear diapers must have swim diapers available for use by **Tuesday, June 13**. Please send them to camp in your child’s backpack. Please clearly mark the camper’s name on reusable diapers.

Information & Policies (cont.)

Swimming

Campers swim up to four days per week. Please be sure to send your child to camp with his or her swimsuit and towel. Campers will not be swimming on days with an air temperature below 65°.

Weather

A variety of weather conditions such as extreme heat, lightening, and tornadoes have all been experienced at camp. Please be assured that the staff are made aware of weather-related concerns and all precautions are in place to protect campers.

If your child is prone to illness due to extreme heat, you may want to consider keeping him or her home on those particular days. Camp will be canceled if the heat index reaches 110°.

Field trip buses generally are not air-conditioned. If your child requires an air-conditioned bus for medical reasons, please provide SEASPAR with a doctor's note before camp starts so that an air-conditioned bus can be ordered. **All camp facilities are air-conditioned.**

Please be advised that SEASPAR will not transport children to or from camp if there is a tornado warning in effect. Parents may need to pick up their child at camp. Feel free to call SEASPAR on days when weather conditions may be in question.

Loss or Theft

Be sure to label all items brought to camp with the camper's name. A check-in procedure will be utilized for any electronic communication device or adaptive equipment. Campers are not encouraged to bring items of value. SEASPAR is not responsible for theft or loss of personal belongings. Each camp has its own lost and found box. At the conclusion of the camp, any unclaimed items will be donated to charity.

Teacher Referrals

In order to give your child an enjoyable and productive recreational experience, SEASPAR would like to communicate with your child's teacher. A referral form which includes questions about your child's areas of interest, strengths and weaknesses, and methods of motivation and discipline will be sent. Teachers can complete this form only if parents give permission on the child's Annual Information Form. All information received from the teacher is confidential.

Registration Procedures

Online registration begins on Monday, April 10, and ends on Monday, May 1 at 4:30 p.m. To register online, visit SEASPAR.org. First-time online registrants must call the SEASPAR office for a user name, password, and instructions. The online registration requirements are:

- Must be a SEASPAR resident
- Must have no outstanding balance
- Must have 2017 Annual Information Form on file
- Full credit card payment is required at the time of registration

All new participants must complete an Annual Information Form and submit it with their registration form. Parents, guardians, or caregivers are responsible for informing SEASPAR of any changes to this information.

Mail or drop off your registration, Annual Information Form, and payment as soon as possible, but no later than Monday, May 1 by 4:30 p.m. For after-hours convenience, there is a mail slot at the SEASPAR office entrance.

SEASPAR resident registrations received by Monday, May 1 will be processed randomly beginning Tuesday, May 2.

Non-resident registrations are processed after all resident registrations are processed.

Registrations will not be processed if a balance remains from a previous season. Please contact the SEASPAR office with questions about any outstanding balances.

Registrations received after the registration deadline are accepted if appropriate accommodations can be made.

SEASPAR sends registration confirmations two weeks before camps begin.

Non-Resident Fee Policy

SEASPAR does not accept non-resident participants unless they reside in an unincorporated area. An unincorporated area is property not within the boundaries of a park district or municipality, e.g., village, town, city. A 100% increase in fees is charged for non-residents to participate. Example: A \$20 resident fee is multiplied by two for a total of \$40. Registration forms for non-residents are accepted at any time, but are not processed until resident registration is completed. In all cases, residents are given priority and non-residents are admitted only after all interested residents are served.

Camp Cancellations

A camp may be canceled if the minimum is not met.

Camp may be canceled due to inclement weather. Make-up dates are not possible.

If a participant cannot attend a camp, he/she cannot send a substitute in his/her place.

Refund/Credit Procedures

A full refund is issued if a camp is canceled by SEASPAR.

In order for a participant to drop from a camp, SEASPAR must be notified five business days prior to the start of the camp to qualify for a refund. At that time, the participant will be refunded the cost of the camp less a \$5 processing fee, the cost of a ticket (if applicable, unless a participant on the waiting list registers), contracted services, or specialized non-refundable supplies.

A prorated refund is issued if a written medical excuse accompanies the refund request.

If a participant chooses to cancel from a program after the camp has begun, a prorated refund is issued, less a \$5 processing fee and ticket price, if applicable.

All refunds are issued monthly.

Program Grants

The SEASPAR Board and staff are committed to offering programs at the lowest possible cost. However, due to financial restrictions, some individuals may find it difficult to pay the entire fee. To help those in need, a significant amount of grant funds are made available for participants through the generosity of donors. Each year, community organizations and individuals contribute funds that are earmarked for program grants. We appreciate this support which allows participants to benefit from activities.

Generally, grants are available for up to 50% of the fee. Any balance due from a previous season must be paid prior to receiving additional grant funds. Grants are only available to SEASPAR residents. Arrangements for a payment schedule are also possible to make the payment of fees more feasible. Visit SEASPAR.org or call SEASPAR at 630.960.7600 to obtain a program grant application, and submit it with your registration form.

Photograph/Video Policy

By registering your child/ward in a SEASPAR program or event, you consent that SEASPAR has the right to photograph or film your child/ward and use the photos/videos for any purpose in any medium of communication, without compensation. If there is a specific reason your child/ward cannot be photographed, please contact us.

However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers, and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. Please read this form carefully and be aware that in signing up and participating in this activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against SEASPAR, including its officials, agents, volunteers and employees.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature.
