Mission

SEASPAR provides dynamic recreation programs and quality services for its residents with disabilities.

Core Values

Fun • Excellence • Service
Respect • Accountability

From the Executive Director

It's an honor to be writing this message as I am so excited for the positive changes coming to SEASPAR as we write the next chapter in our long, storied history. First, I want to wish Susan Friend congratulations on her retirement. To say she has earned it is an understatement, and we look forward to hearing all about her newfound state of relaxation and wish her and her family the best.

There will be at least one new face here and some changes in responsibilities for some of the staff. My goal is to continue the wonderful programs that we offer and to enhance our customer service to our participants and provide more efficient processes for families to reach services and gather information about SEASPAR. One significant change you will see very soon is a new, enhanced website that will be more user-friendly and easier to navigate. After we launch the site, we hope you visit it on any device to find exciting news from SEASPAR.

We recently conducted a survey with the help of students and faculty from the University of St. Francis in Joliet. Last fall, they asked if SEASPAR could be a project for their Business Research Course, and we couldn't refuse! They did the bulk of the work – sending out the surveys, collecting and analyzing the data, and providing recommendations to SEASPAR to help improve our services. There were no significant surprises with the results but it certainly provided helpful suggestions that staff can implement for future planning. The main reason I wanted to share this is to let you know that we are listening to you, our participants and families. Please feel free to give us suggestions or ideas at any time. While I can't promise we will be able to do each and every thing you ask for, I can promise that we'll listen and work hard to provide the best services that we can.

I hope you have a great fall season of programs and look forward to seeing all of our participants continue to discover their abilities, achieve their potential, and realize their dreams!

What Are CPRP and CTRS?

CPRP stands for Certified Park and Recreation Professional and CTRS stands for Certified Therapeutic Recreation Specialist. This status is given to leisure service professionals who can demonstrate through education, experience, and current practice that they meet and exhibit certain predetermined qualifications established by the National Recreation and Park Association Certification Board and the National Council for Therapeutic Recreation Certification. These professionals have earned a bachelor's degree or higher from an accredited program, have passed a certified examination, and maintain sanctioned educational units.

Thanks to Susan Friend for 38 Years of Service to SEASPAR!

With more than 40 years of full-time experience in the field of special recreation including 38 with SEASPAR, Susan Friend retired from her role as Executive Director on July 7. She was one of the first employees hired by the newly-developing DuPage County special recreation associations in the mid-1970s. Since that time, she has been instrumental in developing the organizations for which she has worked (Western DuPage Special Recreation Association and SEASPAR) and promoting special recreation and the associations which provide the vital service of recreation specifically for people with disabilities.

Susan played a significant role in SEASPAR's extensive growth in the number of communities served, programs offered, and individuals served by the agency. During her tenure, the agency received numerous recognitions including the NRPA National Gold Medal Award, IPRA Program Awards, ITRS Program Awards, and the Downers Grove Chamber Choice Award. Susan was also active in a number of professional organizations in a variety of roles and received countless awards for her dedication to special recreation.

While her career has been an exciting ride, Susan looks forward to spending time with family, traveling, volunteering, pursuing hobbies that have been on the shelf for a while, and going to St. Louis Cardinals games any day she wants. Enjoy it, Susan!

staff appreciation

SEASPAR thanks all of the dedicated and caring support staff and volunteers for their time and hard work during the summer program season. Their efforts make it possible for SEASPAR to offer quality programs!

2017 Staff Awards

At the Believe & Achieve Banquet on May 17, support staff were recognized for their longevity at SEASPAR with special gifts. In addition, the following awards were presented to exceptional staff for their outstanding dedication to programs and participants:

Super Star Award – Tim Lieb

Tim Lieb began working for SEASPAR in June 2013. He started working Inclusion programs then transitioned to weekly programs, special events, and then Special Olympics. Over a short amount of time, he accepted the role of Program Supervisor, Driver, and Head Coach. He has worked so many SEASPAR programs that it's hard to list them. During this year's winter-spring season, he worked Social Club every Friday night, Sunshine Through Golf, Special Olympics Powerlifting, Tennis, and Soccer, plus many special events. He has a passion for coaching which is evident when you see him at programs. They say that the very best coaches get their athletes to believe in themselves – to inspire their players to do more than they think they can. Tim does this and much more. He has stepped up to the plate time and time again. Tim wears many different hats in his life and we feel fortunate that being a SEASPAR staff member is one of them.

Leading Light Award – Lori Hohenstein

In 2012, Lori Hohenstein was hired as an assist staff for the Darien EAGLES program. In 2014, Lori became the Brookfield EAGLES Site Director. Lori was an easy choice for that role because she had shown so much leadership and passion during her short time with EAGLES. Lori continues to use her drive and passion on a daily basis by creating such a great place for our EAGLES participants and staff each day. She is consistently coming up with creative and fun ways to encourage our EAGLES to push themselves to be even more independent than they were the day before. She always has a smile on her face and is able to work through any tough situation. Lori has a great relationship with each of our EAGLES participants and staff; she is able to be fun, stern, and encouraging all wrapped up into one on a daily basis. Lori's positive attitude and "go with the flow" personality make her a delight to be around and work with.

Join us in congratulating the award recipients and thanking them for their dedication to SEASPAR!

Swim Lessons

SEASPAR has again partnered with Coach Eve Learn to Swim and its certified instructors to provide quality swim lessons. In these progressive classes, swimmers are introduced to basic water skills, breath holding, and a number of submerging progressions which lead the participants to unassisted swimming. Activities encourage self-confidence and strengthen gross motor skills. Swim lessons are taught in a small group, and 1:1 assistance is provided as determined by the staff. Please be aware that we share the pools with the public. **Note:** A waiver for The Hyatt Lodge is sent with the program confirmation and must be returned to SEASPAR by September 8.

program information

Drop-Off/Pickup

SEASPAR asks that parents promptly drop off and pick up participants at the designated program times. Before programs, staff are busy preparing for the program and are unavailable to supervise participants. After programs, staff may be scheduled at another facility and need to depart soon after the program. By allowing them to complete their work promptly, SEASPAR can operate more cost-efficiently. Be sure to check in with the staff when dropping off and picking up your child.

Families of participants who are not picked up promptly are sent a letter that serves to remind them of the concern. If the situation continues, a charge is imposed for subsequent late pickups. If a participant is picked up late (more than 10 minutes) three times in three months or less, a warning is sent stating that the next late pickup results in a payment due to SEASPAR for the overtime. A rate of \$18 per hour is used. Payment is due to SEASPAR within one week of notification. If not paid promptly, the amount is due prior to the next registration. The staff makes every effort to return on time from all outings; we ask your cooperation in making pickups promptly.

If a participant is traveling home unsupervised, parents or case managers must submit written notice to the SEASPAR office. Please submit this notice with the registration form. We ask that you notify SEASPAR if someone other than a familiar family member is picking up your child.

Absences

When a participant cannot attend an activity, families should notify SEASPAR. The number of staff hired for a program is based on perfect attendance. Help us avoid unnecessary expenses by advising us if a participant will be absent. For special events, this allows those on the waiting list to attend and means that no tickets are wasted. Messages may be left on the after-hours absence line. We realize that last-minute absences may not allow for notice; however, we appreciate your assistance and cooperation.

Aktion Club

Through the joint sponsorship of the Downers Grove and Lombard Kiwanis Clubs and SEASPAR, the SEASPAR Aktion Club is a unique community service organization designed for adults who wish to help others. Each year, the group conducts fundraisers to support local, state, national, and international projects. It also performs several service projects annually and competes in state and international Aktion Club contests. Due to the nature of this club, members must be able to perform service activities independently or with minimal supervision or support. For more information, contact Catherine Morava at 630.960.7600.

Drop In Center

The Drop In Center at the Westmont Community Center provides individuals who have mental health needs an opportunity to spend leisure time in a friendly, relaxed atmosphere. Activities are designed to enhance relationships between friends, peers, and family members. The program starts with lunch, followed by a planned activity or trip. A schedule of program dates and times is available on our website at SEASPAR.org. Individuals may choose to stop by for a few minutes or stay the entire time. The program is free for everyone who attends. Donations are accepted. The Drop In Center is co-sponsored by SEASPAR, the DuPage County Health Department, and NAMI DuPage (National Alliance on Mental Illness). For more information, visit our website at SEASPAR.org/Drop-In-Center or contact Greg Pavesich at 630.960.7629.

EAGLES

EAGLES is a community-based program that incorporates therapeutic recreation to help adults with developmental disabilities Enhance Adult Growth through Lifestyle Education and Service. This weekly program for adults ages 18–50 emphasizes leisure independence, community outings, and social interaction with peers. Each day includes a physical fitness component, guidance in making healthy choices, a recreational activity, and lunch. Individuals must meet specific criteria in order to be eligible for the program. The program is held at three different sites throughout SEASPAR's communities: the Darien Sportsplex, the Lisle Recreation Center, and the Brookfield Municipal Building. For more information, visit our website at SEASPAR.org/EAGLES or contact Dawn Krawiec at 630.960.7608.

Family Playgroup

Child and Family Connections and SEASPAR have joined together to offer playgroups to families of children with a disability, ages birth to three years. The goal of the playgroup is to bring families together in an open format, to play with other children, and to meet other parents with similar experiences. Toys, balls, books, the Wonders multi-sensory room, and more are available. Siblings are encouraged to attend. The group meets the second Tuesday of the month from 9:30–11 a.m. at the SEASPAR program room at the Lisle Recreation Center. For more information, contact SEASPAR's Rachel Pavesich at 630.960.7664 or Jenny Somone at Child and Family Connections at 630.493.0400.

program information

Inclusive Programs

As part of SEASPAR's continuum of recreation programs, inclusive services are provided for residents who wish to participate in general recreation programs. For many individuals with disabilities, participating alongside their peers without disabilities is a beneficial and rewarding experience. SEASPAR can provide services to enhance an existing program by training staff, adapting activities, developing behavioral modifications, and/or providing additional support staff.

Parents should be aware of a few simple guidelines prior to enjoying an inclusive recreation experience. First, register according to the park district/recreation department policies. Be sure to indicate on the registration form that your child needs an accommodation. Next, the participant should be able to follow the rules of conduct for the program, either with or without accommodation, and be willing to voluntarily participate in scheduled activities. SEASPAR and its member entity staff encourage and aid, but do not force participation. After registering, the member entity and SEASPAR work cooperatively with you to provide reasonable accommodations. For more information, contact Lisa Barrera at 630.960.7600.

Stroke Support Group

SEASPAR, in cooperation with Hinsdale Hospital and La Grange Memorial Hospital, sponsors the Stroke Support Group for those who have had a stroke and their family and friends. It provides educational sessions about strokes and how to rebound following a stroke. Members encourage one another to face and overcome common problems by sharing their own experiences. The group provides a welcoming atmosphere and a sense of understanding, especially for those with communication and physical limitations. Strength can be drawn from one another in this type of environment. A schedule of activities and trips is available on our website at SEASPAR.org. For more information, visit our website at SEASPAR.org/Stroke-Support-Group or contact Greg Pavesich at 630.960.7629.

Achievement Award

Congratulations to Bridget Brown, the recipient of SEASPAR's Achievement Award for 2017! Bridget has too many accomplishments to list, so we'll just say that she is a national inclusion advocate through her Butterflies for Change organization, her role as a Special Olympics Global Messenger, and her position as an officer for the National Association for Down Syndrome, to name a few. We are proud that she is one of SEASPAR's very own!

SEASPAR/WDSRA Agreement

SEASPAR and the Western DuPage Special Recreation Association (WDSRA) have an agreement that allows residents of each SRA to register in the weekly programs and special events of the other at their in-district rate. Overnight trips are not included. Registrations must be submitted by the agency's deadline, and are processed after those of the agency's residents. WDSRA serves the communities of Bloomingdale, Carol Stream, Glen Ellyn, Naperville, Roselle, Warrenville, West Chicago, Wheaton, and Winfield. For more information, contact SEASPAR at 630.960.7600. For a copy of the WDSRA brochure, contact WDSRA at 630.681.0962 or visit its website at WSDRA.com.

Program Grants

The SEASPAR Board and staff are committed to offering programs at the lowest possible cost. However, due to financial restrictions, some individuals may find it difficult to pay the entire fee. To help those in need, a significant amount of grant funds are made available for participants through the generosity of donors. Each year, community organizations and individuals contribute funds that are earmarked for program grants. We appreciate this support which allows participants to benefit from activities.

Generally, grants are available for up to 50% of the program fee. Any balance due from a previous season must be paid prior to receiving additional grant funds. Grants are not available for overnight trips, and are only available to SEASPAR residents. Arrangements for a payment schedule are also possible to make the payment of fees more feasible. Visit SEASPAR.org or call the SEASPAR office to obtain a program grant application.

Participant Expectations

SEASPAR provides leisure opportunities for individuals with disabilities, and while participating in our programs, we stress socialization skills, appropriate behavior, and personal appearance. For the dignity and acceptance of individuals with disabilities, and for their overall self-esteem and enjoyment in community outings, the staff has developed a list of participant expectations. We ask that you assist us in fulfilling these basic guidelines. The participant guidelines were developed for the betterment of our participants, their self-esteem, and normalization.

- Clean, dry clothing.
- No bowel/bladder problems upon arrival at the program. If this is a concern, extra clean clothing, cleanup supplies, and Depends garments must be sent with the participant.
- Attention to body odors (should smell fresh).
- Appearance should be clean.
- Appropriate attire for program participation (gym shoes, warm-ups, or loose-fitting clothing for athletic, sports, or exercise programs). If you have questions about attire, contact SEASPAR at 630.960.7600.

Staff will be consistent in stressing personal hygiene while participants are at programs.

Participation

Participants should be willing to voluntarily participate in the scheduled activities. SEASPAR staff encourage and aid, but do not force participation.

Code of Conduct

SEASPAR asks all participants and family members to observe the behavior code below, which was developed to ensure enjoyable and safe program experiences. SEASPAR will attempt reasonable accommodations to enable participants to meet behavior expectations.

- Show respect to all participants, staff, and public.
- Listen to and comply with staff direction and program rules.
- Allow others in the program and others at public facilities to enjoy the activity without disruption (within reason).
- Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.
- Refrain from causing bodily harm or aggressive physical contact.
- Show respect to equipment, supplies, and facilities.

Additional rules are developed for specific programs as deemed necessary by the staff.

Discipline

SEASPAR applies a caring, positive approach to discipline. Staff review rules with participants and are willing to work with parents to develop behavior modification programs as necessary. When conduct expectations are not met, staff will take reasonable steps to accommodate the behavior and minimize future risks. However, when accommodations are attempted and are unsuccessful, or when no reasonable accommodation exists to avoid future risks, SEASPAR may take actions such as removing a participant from an activity for a short period of time, removing a participant from an activity for the remainder of the day, suspending participation for the next program meeting, or suspending participation in that program for the remainder of the season. Notwithstanding SEASPAR's option to use progressive discipline, SEASPAR is not required to do so and may, at its sole discretion, forgo lesser forms of discipline at any time, and proceed immediately with suspending participation for the remainder of the season.

Listed below are examples of reasons for disciplinary action. This list, however, does not constitute a comprehensive list of all acts which may subject the participant to disciplinary action, including suspension from any program or activity. Instead, the following list sets forth some of the more typical circumstances that arise. They include, but are not limited to:

- Making loud noises in particular settings where quietness is expected.
- Inability to sit quietly in theaters, concerts, etc.
- Showing lack of respect for other participants/patrons at activities.
- Running in crowded areas or bolting from the group – this can cause disruption or be a significant safety problem.

Please Check In

When arriving at and departing from programs, parents are asked to check in with staff before leaving or taking their child. **Note:** SEASPAR staff are not responsible for supervision of participants prior to the start of the program.

Wellness Guidelines

In consideration of other participants and staff, and to prevent the spread of contagious illnesses, it is recommended that participants refrain from attending programs when any of the following conditions exist:

- Fever of 100° or higher within the last 24 hours.
- Vomiting within the last 24 hours.
- Persistent diarrhea in conjunction with other symptoms.
- Contagious rash or a rash of unknown origin.
- Persistent cough and/or cold symptoms.
- Eye infections or discharge from the eye.
- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, or Coxsackie's virus.
- Fatigue due to illness that hinders participation in a program.
- Runny nose with yellow or green discharge.
- Lice or mites.

Please notify SEASPAR if the participant contracts any contagious illness that will affect attendance at a program. Participants should return to programs at the doctor's recommendation, or, if not under a doctor's care, when the symptoms have clearly passed.

Medication Dispensation

The exchange of medication, information, and participants can become hectic as a group prepares to leave for an activity or at the beginning of a program. To be sure that all medication is in order and staff has the appropriate information, we ask you to put medication in specially marked envelopes, complete the label, and give it to the program supervisor before the group leaves. To make the process work more efficiently for overnight trips, envelopes are sent to you along with the packing list. For day trips, staff provides envelopes at the drop-off point. For the convenience of those who are involved in many outings, or who take medication frequently, we are happy to provide a supply of labeled envelopes.

Atlanto Axial Subluxation

Individuals with Down Syndrome are at risk of having Atlanto Axial Subluxation Condition (ASC) that causes increased mobility in the cervical spine. For the safety of our participants, individuals with Down Syndrome are not allowed to participate in the butterfly stroke in swimming, diving, tumbling, gymnastics, high jump, and other activities unless they have tested negative for ASC. An x-ray determines if the condition is present. For more information, contact SEASPAR at 630.960.7600.

ADA Statement

SEASPAR is committed to accessibility for all individuals with disabilities, and strives to comply with the 1990 Americans with Disabilities Act by providing reasonable accommodations for all individuals. Please advise SEASPAR of any special assistance or accommodation required to participate in programs. This program guide is available in an alternate format upon request. Individuals who have an accommodation concern should contact Matthew Corso at 630.960.7600.

Weather Cancellations

Weekly programs and special events may be cancelled due to inclement weather. To check the status of a program, call the SEASPAR office at 630.960.7600 one to two hours before the program begins, or between 4-4:30 p.m. for evening programs. If a program is cancelled, staff attempt to reach all participants by phone to inform them of the cancellation. After hours, program changes are available on the program update selection of SEASPAR's phone system. If indoor facilities are available for weekly programs, the program is held as usual. Programs cancelled due to inclement weather are not rescheduled.

Severe Winter Weather Guidelines for Cancelling Programs:

Outdoor programs or programs with transportation for participants with physical disabilities:

- Temperature of zero or wind chill of -10° or less

All other programs with transportation:

- Temperature of -10° or wind chill of -20° or less

All programs (including indoor) are cancelled during snowstorm or blizzard situations when driving restrictions and emergency accident plans are in effect (e.g., winter storm or blizzard warnings).

Loss or Theft

Label all items brought to programs with the participant's name. Any electronic communication device or adaptive equipment must be checked in with a staff member upon arrival at the program. Participants are encouraged not to bring items of value. SEASPAR is not responsible for theft or loss of personal belongings.

Watch for your winter-spring brochure to be delivered in early December!

SEASPAR does not accept non-resident participants unless they reside in an unincorporated area. (See page 39 for information on the SEASPAR/WDSRA agreement.) An unincorporated area is property not within the boundaries of a park district or municipality, e.g., village, town, city. A 100% increase in fees is charged for non-residents to participate. Example: A \$20 resident fee is multiplied by two for a total of \$40. Registration forms for non-residents are accepted at any time, but are not processed until resident registration is completed. In all cases, residents are given priority and non-residents are admitted to programs only after all interested residents are served.

WAIVER AND RELEASE

IMPORTANT INFORMATION

SEASPAR is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. SEASPAR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against SEASPAR, including its officials, agents, volunteers and employees.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature.

WAIVER AND RELEASE

IMPORTANT INFORMATION

SEASPAR is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. SEASPAR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers, and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for SEASPAR to guarantee absolute safety.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in this activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against SEASPAR, including its officials, agents, volunteers and employees.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature.
