Summer has arrived, and with it comes the normalcy we've all longed for! Gone are the days of yearning for things as they once were. Positivity is evident throughout this guide through new programming and expanded options for your summertime favorites. One noticeable change is within our summer day camp programs, which offer more convenience for parents and campers than ever before. Expanding summer day camp was a tall order considering the number of moving parts required to provide comprehensive summer camp options. Our camps require multiple amenities to be sure they can host all of the needs of our camps, but the stars have aligned, and we are excited to bring them to you.

I am excited about presenting you with positive changes and new opportunities. I'm sure you will find these changes to be to your liking, but it begs to be said, we are far from complete. We are currently conducting a needs assessment that, once complete, will help us adapt our programs to meet the ever-changing needs of our participants and families.

A fun activity I'm personally looking forward to is our Summer Kick-Off event on June 11 at Ty Warner Park in Westmont. The Summer Kick-Off is SEASPAR's unofficial start to the summer season. It is also your opportunity to start the

summer alongside friends, family, and your favorite SEASPAR staff. Participation is free for SEASPAR participants and families, but registration is required, so make sure to let us know you are coming.

I encourage you to flip through this guide cover to cover, because regardless of your tastes, this guide contains summertime fun. From swimming to golf to concerts in the park to picnics with friends, this guide offers you opportunities to make this summer one to remember. It is the key to the best summer ever!

Best,

**Matt Corso**  
Executive Director

## STAFF APPRECIATION

## THE CORE OF OUR SUCCESS.

PAGES 9-10

## THANK YOU!

Words cannot express how much SEASPAR appreciates the hard work of our support staff! Many of you go above and beyond the job responsibilities by volunteering your time for programs, assisting with fundraising events, and spreading the word about SEASPAR.

All of SEASPAR's staff and volunteers deserve a round of applause for their efforts in giving back and contributing to the development of individuals within our communities. Thank you for your dedication, loyalty, and continuing support of SEASPAR!

## SUPPORT STAFF

SEASPAR support staff play a key role in delivering quality programs to SEASPAR participants. The support staff team is made up of weekly program and special event staff, inclusion staff, EAGLES staff, day camp staff, and volunteers. Each support staff member brings unique skills and experiences with them. Without their many talents and willingness to share them, SEASPAR would not be what it is today.

SEASPAR had an average of 195 assist staff members each program season this past fiscal year, 2022. SEASPAR had approximately 40 inclusion staff members, 13 EAGLES support staff members, 42 summer day camp staff members and an average of 100 weekly program and special event staff working programs and supporting our participants to ensure everyone has a safe and enjoyable experience!

A big thanks to all of SEASPAR's support staff. We are not able to produce such amazing programs and serve our participants without your hard work, dedication, and commitment. Our participants and staff are forever grateful for your support!

## VOLUNTEERS

SEASPAR would not be able to do what we do without the generosity of our volunteers. Because of their assistance we are able to save money, translating directly into lower program costs for participants.

SEASPAR's volunteer team worked a total of 1,544 hours the past fiscal year. Volunteers saved SEASPAR \$21,616 in staff costs and we had 130 separate individuals volunteer in some capacity at SEASPAR. We are so grateful for all our fantastic volunteers, and we hope this amazing group continues to grow! A big shout out to our current program volunteers:

Lillian Boor  
Joseph Dooley  
Ann Franczyk

We thank you for your time and commitment in supporting our programs!

## EAGLES

The EAGLES Adults Day Program continues to expand their experiences and find creative ways to make healthy choices. Our staff work hard to collaborate with local businesses, therapists, educators, university students, and local day programs to offer new and exciting opportunities for the participants in the program. We are very fortunate to have such a great team working the program. This dedicated team of professionals includes:

Nicole Causey	Elisa Keegan	Becky Quirk
Pam Conlon	Jennifer Molsky	Dan Skarnulis
Eileen Kash	Kristy Pauley	Nicole Strawser
Brian Klama	Audrey Peters	

A huge thank you to our amazing subs:

Bob Ackermann	Debbie Murdock	Kathleen Shanahan
Aaron Causey	Tanja Murray	Lorrie Smietanski
Amy Klama	Dawn Pope	

## INCLUSION

Country and state-wide, the concept of inclusion, inclusive recreation programming, and inclusive practices continue to grow and draw attention. SEASPAR's twelve member entities support this trend, and in partnership with SEASPAR, strive to provide an equal opportunity for all members of those communities to recreate and benefit from the programs they jointly offer.

In the summer of 2022, SEASPAR employed approximately 40 inclusion aides to assist individuals with special needs in approximately 37 programs offered by our twelve member entities. We were able to help the park district support approximately 66 individuals with disabilities. For the fall, winter, and spring seasons, SEASPAR received and provided inclusion services to those member entities for 62 inclusion requests.

Meeting these inclusion needs would not be possible without the dedication and commitment of our seasonal and year-round inclusion aides. We would like to formally recognize their efforts and thank them for the passion, kindness, and the support they provide and demonstrate towards the participants they work with each day. On behalf of our full-time SEASPAR staff, as well as our member entity staff, we would like to express our gratitude to them and especially the following year-round inclusion aides:

Elizabeth Adkins	Emily Lang	Josephine Potts
Eva Bednard	Mia Liebmann	Colleen Pyrcioch

## ANNUAL APPEAL BEYOND EXPECTATION

Each year, SEASPAR works to raise funds through its "annual appeal," which begins on Giving Tuesday and continues through the end of the year. During this time, we humbly ask our friends, supporters, and local businesses for financial support for initiatives we have for the following year.

In our 2022 appeal, we asked for support for our Fee Assistance Program, which is used by families with financial constraints to fund up to 50% of their program fees. With inflation and rising costs impacting our families, we believed this was the best use of our annual appeal funds for 2023.

Our goal was \$15,000, which was the approximate amount of fee assistance distributed in 2022. So you can imagine our reaction when the final amount in donations for our 2022 annual appeal totaled... \$38,689!

Grateful is an understatement. We are overwhelmed by the generosity of our supporters. They recognized a need and filled it with donations ranging

from \$10 to \$10,000. One donation came with the comment, "Thank you for everything you do for your participants. I can't count the number of times you've gone above and beyond!"

But it is our turn to say thank you. Thank you to our participant families who trust us to provide safe, high-quality programs to their loved ones. Thank you to our communities who trust us to serve their residents. And thank you to our financial supporters, who trust us to responsibly put their donations to work. We don't take any of this trust lightly, and we are truly grateful.

We have already allocated over \$15,000 in fee assistance for 2023, and more will be distributed each season. If you or someone you know could benefit from fee assistance for seasonal programs, our confidential program application is available online or by calling 630.960.7600. SEASPAR and our generous donors are happy to help make sure everyone is included, regardless of financial situation.

Our **Fee Assistance Program** makes programs attainable to families with financial restraints through scholarships funded by generosity. Apply confidentially online at [SEASPAR.org](https://SEASPAR.org).

### S.O.A.R. PROGRAM

S.O.A.R. stands for Specialized Outside Agency Recreation. S.O.A.R. is offered in cooperation with local schools and agencies whose population consists of at least 50% SEASPAR residents. The program was developed to provide students and adults with disabilities with an increased awareness of healthy and beneficial recreation and leisure exploration activities.

SEASPAR staff work with the school/agency to plan appropriate activities with the goal that the participants will develop recreation interests in their community. SEASPAR residency includes anyone who resides in the park districts of Clarendon Hills, Darien, Downers Grove, La Grange, La Grange Park, Lemont, Lisle, Westmont, or Woodridge, or the villages of Brookfield, Indian Head Park, or Western Springs. Please note that in-district residency is not based on the location of the agency; an agency qualifies if 50% or more of its students/ participants reside within SEASPAR's member communities.

A wide variety of activities can be planned. Although there are many similarities between S.O.A.R. programs, no two programs are alike.

Scan the code to make a S.O.A.R. request online.

# Inclusion

## INCLUSION

As part of SEASPAR's continuum of recreation programs, inclusion services are provided for residents who wish to participate in general recreation programs. For many individuals with disabilities, participating alongside their peers without disabilities is a beneficial and rewarding experience. SEASPAR can provide services to enhance an existing program by training staff, adapting activities, developing behavioral modifications, and/or providing additional support staff.

Parents should be aware of a few simple guidelines prior to enjoying an inclusive recreation experience. First, register according to the park district/recreation department policies. Be sure to indicate on the registration form that your child needs an accommodation. Next, the participant should be able to follow the rules of conduct for the program, either with or without accommodation, and be willing to voluntarily participate in scheduled activities. After registering, the member entity and SEASPAR work cooperatively with you to provide reasonable accommodations.

 **For more information about inclusion services, visit our website or contact Bethany Pastrana at 630.960.7609.**

## ABSENCES

When a participant cannot attend an activity, families should notify SEASPAR. The number of staff hired for a program is based on perfect attendance. Help us avoid unnecessary expenses by advising us if a participant will be absent. For special events, this allows those on the waiting list to attend and ensures that no tickets are wasted. We realize that last-minute absences may not allow for notice; however, we appreciate your assistance and cooperation.

## ADA STATEMENT

SEASPAR is committed to accessibility for all individuals with disabilities, and strives to comply with the 1990 Americans with Disabilities Act by providing reasonable accommodations for all individuals. Please advise SEASPAR of any special assistance or accommodation required to participate in programs.

To request this program guide in an alternative format, please contact Morgan Mason at [mmason@seaspar.org](mailto:mmason@seaspar.org).

## ANNUAL INFORMATION FORMS

SEASPAR requires that all participants complete an Annual Information Form (AIF) each calendar year. Individuals without a current AIF on file will not be permitted to participate. You do NOT need to submit an AIF each season, only once per year.

The Annual Information Form is available on pages 49-51, or may be submitted online at [SEASPAR.org](http://SEASPAR.org).

Parents, guardians, or caregivers are responsible for informing SEASPAR of any changes to this information but do NOT need to submit a new Annual Information Form if one was previously submitted for 2023.

## ATLANTOAXIAL INSTABILITY

Individuals with Down syndrome are at risk of having Atlantoaxial Instability (AAI) which causes decreased stability in the bones of the upper spine. For the safety of our participants, individuals with Down syndrome are not allowed to participate in the butterfly stroke in swimming, diving, tumbling, gymnastics, high jump, and other activities unless they have tested negative for AAI. For more information, contact SEASPAR at 630.960.7600.

## CHECK IN

**Virtual Programming:** Participants should sign into virtual programming in a timely manner. When signing in, participants will be placed on hold until the program's scheduled start time.

**In-Person Programming:** When arriving at and departing from programs, parents are asked to check in with staff before leaving or taking their child.

 **Note:** SEASPAR staff are not responsible for supervision of participants prior to the start of the program.

## CODE OF CONDUCT

Participants, staff, volunteers, and parents are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make SEASPAR's programs safe and enjoyable for everyone. Additional rules may be developed for particular programs and events as deemed necessary by the staff.

### CODE OF CONDUCT: IN-PERSON PROGRAMS

- Show respect to all participants, staff and public.
- Listen to and comply with staff direction and program rules.
- Allow others in the program and those at public facilities to enjoy the activity without disruption.
- Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.
- Refrain from causing bodily harm or aggressive physical contact.
- Show respect to equipment, supplies, and facilities.

### CODE OF CONDUCT: VIRTUAL PROGRAMS

- Refrain from sharing program information (Zoom meeting code and password) with others. Virtual registrations are not exchangeable.
- Avoid joining programs in which you are not enrolled
- Select a quiet space for your program. Reduce background noise as much as possible.
- Ensure that you have an appropriate background for the group to see.
- Change your name in Zoom to the participant's first name and last initial.
- Follow staff's instructions for taking turns and muting.
- Treat others with respect when speaking and using the chat function. The chat function may be disabled by staff if it is not used appropriately. Participants may be muted or removed from the program if their behavior is disruptive.

## DISCIPLINE

SEASPAR applies a caring, positive approach to discipline. When Code of Conduct expectations are not met, staff will attempt reasonable accommodations to minimize future risks and help the participant to meet behavior expectations. However, when accommodations are attempted and are unsuccessful, or when unsafe or otherwise inappropriate behavior occurs, SEASPAR reserves the right to dismiss a participant whose behavior continues to be unsafe or otherwise inappropriate or whose behavior endangers the safety of him/herself or others.

## LATE REGISTRATION

The registration deadline is **Monday, May 8** at 4:30 pm. Many programs fill quickly, and registering by the deadline is the best way to avoid being put on a waitlist. Participants may not be added to a program with less than 48 hours notice.

### LATE PICKUP

If a participant has not been picked up at the scheduled program end time, the parent/guardian/group home staff will be contacted. After a fifteen-minute wait period, emergency contacts will be called. After one warning, a \$10 fee will be applied for every 15 minutes that a participant is picked up late or the SEASPAR vehicle is delayed. A notice will be sent to you indicating the fee being charged to your account.

## LOSS OR THEFT

Label all items brought to programs with the participant's name. Any electronic communication device or adaptive equipment must be checked in with a staff member upon arrival at the program. Participants are encouraged not to bring items of value. SEASPAR is not responsible for theft or loss of personal belongings.

## MEDICATION DISPENSATION

The exchange of medication, information, and participants can become hectic as a group prepares to leave for an activity or at the beginning of a program. To be sure that all medication is in order and staff has the appropriate information, we ask you to put medication in SEASPAR provided envelopes, complete the label, and give it to the program supervisor. For the convenience of those who are involved in many programs, or who take medication frequently, we are happy to provide a supply of labeled envelopes.

## NON-RESIDENT FEE POLICY

SEASPAR does not accept non-resident participants unless they reside in an unincorporated area. An unincorporated area is property not within the boundaries of a park district or municipality, e.g., village, town, city. A 100% increase in fees is charged for non-residents to participate. Example: A \$20 resident fee is multiplied by two for a total of \$40. Registration forms for non-residents are accepted at any time, but are not processed until resident registration is completed. In all cases, residents are given priority and non-residents are admitted to programs only after all interested residents are served.

## PARTICIPANT EXPECTATIONS

SEASPAR provides leisure opportunities for individuals with disabilities, and while participating in our programs, we stress socialization skills, appropriate behavior, and personal appearance. For the dignity and acceptance of individuals with disabilities, and for their overall self-esteem and enjoyment in community outings, the staff has developed a list of participant expectations. We ask that you assist us in fulfilling these basic guidelines. The participant guidelines were developed for the betterment of our participants, their self-esteem, and socialization.

- Clean, dry clothing.
- No bowel/bladder problems upon arrival at the program. If this is a concern, extra clean clothing, cleanup supplies, and Depends garments must be sent with the participant.
- Attention to body odors (should smell fresh).
- Appearance should be clean.
- Appropriate attire for program participation (gym shoes, warm-ups, or loose-fitting clothing for athletic, sports, or exercise programs). If you have a question about attire, call us at 630.960.7600.

Staff will be consistent in stressing personal hygiene while participants are at programs.

## PARTICIPATION

Participants should be willing to voluntarily participate in the scheduled activities. SEASPAR staff encourage and aid, but do not force participation.

## PHOTOGRAPH/VIDEO POLICY

By registering yourself or your child/ward in a SEASPAR program or event, you consent that SEASPAR has the right to photograph or film you or your child/ward and use the photos/videos for any purpose in any medium of communication, without compensation. If there is a specific reason you or your child/ward cannot be photographed, please contact us.

## PROGRAM CANCELLATIONS

- A program may be cancelled if the program minimum enrollment is not met.
- Programs may be cancelled due to inclement weather or other emergencies. See the Weather/Emergency Cancellations section below for more information.
- If a participant cannot attend a program, he/she cannot send a substitute in his/her place.

## SEASPAR/WDSRA AGREEMENT

SEASPAR and the Western DuPage Special Recreation Association (WDSRA) have an agreement that allows residents of each SRA to register in the weekly programs and special events of the other at their in-district rate. Overnight trips and the EAGLES adult day program are not included. Registrations must be submitted by the agency's deadline, and are processed after those of the agency's residents. WDSRA serves the communities of Bloomingdale, Carol Stream, Glen Ellyn, Naperville, Roselle, Warrenville, West Chicago, Wheaton, and Winfield. For more information, contact SEASPAR at 630.960.7600. For a copy of the WDSRA brochure, contact WDSRA at 630.681.0962 or visit its website at [WDSRA.com](http://WDSRA.com).

## VIRTUAL PROGRAMMING ACCESS AND PASSWORDS

You will receive an email before programs begin with links and passwords for your programs. These are exclusive to you and cannot be shared. Please retain this email as it will only be sent once. If you do misplace your link or password, please call us at 630.960.7600 or email [adminstaff@seaspar.org](mailto:adminstaff@seaspar.org). Participants who cannot be identified and/or whose enrollment status cannot be confirmed may be removed from a virtual program.

## WEATHER/EMERGENCY CANCELLATIONS

Weekly programs and special events may be cancelled due to inclement weather or other unforeseen circumstances. To check the status of a program, call the SEASPAR office at 630.960.7600 one to two hours before the program begins, or between 3:30-4:30pm for evening programs. If a program is cancelled or an outdoor program is moved indoors, staff attempt to reach all participants to inform them of the change. After hours, program changes are available on the Program Hotline at 630.960.7582. Programs cancelled due to inclement weather or other emergency may be rescheduled; otherwise, a refund will be issued in the form of a credit on the participant's account.

## WEATHER: SEVERE WEATHER GUIDELINES

- All programs are cancelled when the heat index reaches or exceeds 110°.
- All programs (including indoor) are cancelled when a tornado warning is in effect for the surrounding area. SEASPAR uses discretion for all other weather watches and warnings.

## WELLNESS GUIDELINES

In consideration of other participants and staff, and to prevent the spread of contagious illnesses, it is required that participants refrain from attending programs when any of the following conditions exist:

- Fever of 100.4° or higher within the last 24 hours.
- Vomiting within the last 24 hours.
- Persistent diarrhea in conjunction with other symptoms.
- Contagious rash or a rash of unknown origin.
- Persistent cough and/or cold symptoms.
- Eye infections or discharge from the eye.
- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, or Coxsackievirus.
- Fatigue due to illness that hinders participation in a program.
- Runny nose with yellow or green discharge.
- Lice or mites.

Please notify SEASPAR if the participant contracts any contagious illness that will affect attendance at a program. Participants should return to programs at the doctor's recommendation, or, if not under a doctor's care, when the symptoms have clearly passed. In cases of COVID-19, participants may return to programs after quarantine or isolation, based on the current CDC, State, and local guidelines.

For everyone's safety, if a participant is exhibiting symptoms of illness during a program, they will be removed from the group and an approved adult will be required to pick them up.

## WAIVER AND RELEASE

SEASPAR is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. SEASPAR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

## WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers, and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for SEASPAR to guarantee absolute safety.

In virtual program activities, you need to have adequate space to follow the activity instructions and to move safely without exposure to any obstacles, obstructions, steps or anything that could cause possible trips or falls. As a participant, you are solely responsible for assessing whether you can participate safely in the activity in the space you have chosen without accidents.

## WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

53

Please read this form carefully and be aware that in signing up and participating in this activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against SEASPAR, including its officials, agents, volunteers and employees.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.

I have been made aware of the inherent dangers and risks of virtual program activities, and I can participate safely in the space I have chosen.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online acceptance or facsimile signature shall substitute for and have the same legal effect as an original form signature.
