Age 16+

Code	Day(s)	Time	\$	Date(s)
2-200-26-1	F-Su		\$807	9/11-9/13

Transportation: Depart from SEASPAR: 9:30am
Arrive to SEASPAR: 5:30pm

Accommodations are shared by participants. Age and gender are taken into account when assigning rooms. There will not be staff present in all rooms. Departure and arrival times are estimated and an accurate schedule will be sent closer to the date.

Primary Criteria in Order to attend SEASPAR trips:

There are seven primary criterion areas that must be met to participate in overnight trips.

1. Code of Conduct

All travelers must follow the general Code of Conduct as stated in the SEASPAR brochure.

2. Behavior

Behavior that affects the safety of any individual or group must be considered. A history of aggressive actions toward themselves/others or a pattern of recent behavior that creates a threatening situation is cause for a person to be ineligible for the trip. Individuals whose impulsive behavior, that with accommodation, cannot be controlled will be ineligible for the trip. Trips which activities are designed to further accommodate this type of behavior are offered as an alternative.

3. Personal Care

All participants must be able to care for their own personal needs with reasonable accommodation.

4. Group Travel

The logistics of the trip, lodging, mode of travel, number of participants, schedule, eating arrangements, etc. must be considered for establishing relative skills for each trip. The following are primary skills for all trips.

Participants are expected to:

- Participate in the planned activities.
- Share close living quarters/traveling arrangements with others.
- Tolerate the necessary travel requirements in the mode of transportation planned for the trip.
- Be willing to participate in the activities of the trip.
- Cope positively with changing situations.
- Demonstrate flexibility.
- Follow a prescribed routine.
- Cope positively with other travelers and staff.

5. Health Issues

The participant must be able to physically and emotionally tolerate the logistics of the trip.

Consideration for relative skills must be given to:

- The ability to tolerate the climate of the destination.
- Seizure control.
- Medical response needed for emergencies in the destination.
- The ability to tolerate the rigors of travel for the trip.

6. Participation History

The participation history of the individual is important in determining the existence of relative skills. Participation in similar programs at another special recreation association may be considered in evaluating this area. In evaluating the participation at another SRA, the following issues should be discussed: programs and special events in which the individual participated, mode of travel, duration of trip, the type of supervision given the group, the expectations placed on participants for the type(s) of trips, etc. There is a natural hierarchy of participation that can be used to establish criteria for participation. It is not intended that this appear autocratic, however, past successful participation is the best indicator of expected participation skills. This creates the best situation for the participant.

Following participation in trips, a Trip Assessment Form is completed for each participant. The Trip Assessment Form is used to assess the individual's ability to attend future overnight trips and incorporates primary criteria and other information relevant to trip participation. It will also indicate the individual's status for future trips. A subsequent meeting with parents/caregivers to discuss the trip and future trip participation will be set up when there are concerns with primary criteria or eligibility for future trips. As a part of this meeting, necessary improvements will be outlined for the parent/caregiver. If this is the case, progress will be monitored and the participant's status be upgraded as soon as the necessary improvements are evident.

7. Duration

It should be noted that the duration of the trip has influence on SEASPAR's ability to provide accommodation, or extent of accommodation(s) provided.

Decisions

All final decisions regarding eligibility rest with SEASPAR.

EAGLES ADULT DAY PROGRAM

EAGLES is a community-based program that incorporates therapeutic recreation to help adults with developmental disabilities Enhance Adult Growth through Lifestyle Education and Service. This weekly program for adults ages 18–50 emphasizes leisure independence, community outings, and social interaction with peers. Each day includes a physical fitness component, guidance in making healthy choices, a recreational activity, and lunch. Individuals must meet specific criteria in order to be eligible for the program. The program is held at four different sites throughout SEASPAR's communities: the Darien Sportsplex, Lemont Canal Center, Lisle Recreation Center, and Brookfield Village Hall.

The EAGLES Adult Day Program continues to expand its participants' experience and find creative ways to make healthy choices. Our staff work to collaborate with local businesses, therapists, educators, university students, and other local day programs to offer new and exciting opportunities for the participants in the program. We are fortunate to have such a great team working the program.

Our dedicated team of professionals include:

AKTION CLUB

Through the joint sponsorship of the Woodridge Kiwanis Club and SEASPAR, the SEASPAR Aktion Club is a unique community service organization designed for adults who wish to help others. Each year, the group conducts fundraisers to support local, state, national, and international projects. They also perform several service projects annually and compete in state and international Aktion Club contests. Due to the nature of this club, members must be able to perform service activities independently or with minimal supervision or support.

INCLUSION

As part of SEASPAR's continuum of recreation programs, inclusion services are provided for residents who wish to participate in one of SEASPAR's member entities' programs. For many individuals with disabilities, participating alongside their peers without disabilities is a beneficial and rewarding experience. SEASPAR can provide services to enhance an existing program by training staff, adapting activities, developing behavioral modifications, and/or providing additional support staff.

Parents should be aware of a few simple guidelines prior to enjoying an inclusive recreation experience. First, register according to the park district/recreation department policies. Be sure to indicate on the registration form that your child needs an accommodation. Next, the participant should be able to follow program's policies and abide by the program's Code of Conduct, either with or without accommodations, and be willing to voluntarily participate in scheduled activities. After registering, the member entity and SEASPAR work cooperatively with you to provide reasonable accommodations.

S.O.A.R. PROGRAM

Request a S.O.A.R. program online at [SEASPAR.org](https://seaspar.org).

S.O.A.R. stands for Specialized Outside Agency Recreation. S.O.A.R. is offered in cooperation with local schools and agencies whose population consists of at least 50% SEASPAR residents. The program was developed to provide students and adults with disabilities with an increased awareness of healthy and beneficial recreation and leisure exploration activities.

SEASPAR staff work with the school/agency to plan appropriate activities with the goal that the participants will develop recreation interests in their community. SEASPAR residency includes anyone who resides in the park districts of Clarendon Hills, Darien, Downers Grove, La Grange, La Grange Park, Lemont, Lisle, Westmont, or Woodridge, or the villages of Brookfield, Indian Head Park, Western Springs or

Willowbrook. Please note that in-district residency is not based on the location of the agency; an agency qualifies if 50% or more of its students/participants reside within SEASPAR's member communities.

A wide variety of activities can be planned. Although there are many similarities between S.O.A.R. programs, no two programs are alike.

ABSENCES

When a participant cannot attend an activity, families should notify SEASPAR. The number of staff hired for a program is based on perfect attendance. Help us avoid unnecessary expenses by advising us if a participant will be absent. For special events, this allows those on the waiting list to attend and ensures that no tickets are wasted. We realize that last-minute absences may not allow for notice; however, we appreciate your assistance and cooperation.

ADA STATEMENT

SEASPAR is committed to accessibility for all individuals with disabilities, and strives to comply with the 1990 Americans with Disabilities Act by providing reasonable accommodations for all individuals. Please advise SEASPAR of any special assistance or accommodation required to participate in programs.

To request this program guide in an alternative format, please contact Morgan Mason at mmason@seaspar.org.

ATLANTOAXIAL INSTABILITY

Individuals with Down syndrome are at risk of having Atlantoaxial Instability (AAI) which causes decreased stability in the bones of the upper spine. For the safety of our participants, individuals with Down syndrome are not allowed to participate in the butterfly stroke in swimming, diving, tumbling, gymnastics, high jump, and other activities unless they have tested negative for AAI. For more information, contact SEASPAR at 630.960.7600.

CHECK IN

Virtual Programming: Participants should sign into virtual programming in a timely manner. When signing in, participants will be placed on hold until the program's scheduled start time.

In-Person Programming: When arriving at and departing from programs, parents are asked to check in with staff before leaving or taking their child.

SEASPAR staff are not responsible for supervision of participants prior to the start of the program.

CODE OF CONDUCT

Participants, staff, volunteers, and parents are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make SEASPAR's programs safe and enjoyable for everyone. Additional rules may be developed for particular programs and events as deemed necessary by the staff.

CODE OF CONDUCT: IN-PERSON PROGRAMS

- Show respect to all participants, staff and public.
- Listen to and comply with staff direction and program rules.
- Allow others in the program and those at public facilities to enjoy the activity without disruption.
- Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.
- Refrain from causing bodily harm or aggressive physical contact.
- Show respect to equipment, supplies, and facilities.

CODE OF CONDUCT: VIRTUAL PROGRAMS

- Refrain from sharing program information (Zoom meeting code and password) with others. Virtual registrations are not exchangeable.
- Avoid joining programs in which you are not enrolled
- Select a quiet space for your program. Reduce background noise as much as possible.
- Ensure that you have an appropriate background for the group to see.
- Change your name in Zoom to the participant's first name and last initial.
- Follow staff's instructions for taking turns and muting.
- Treat others with respect when speaking and using the chat function

- The chat function may be disabled by staff if it is not used appropriately. Participants may be muted or removed from the program if their behavior is disruptive.

DISCIPLINE

SEASPAR applies a caring, positive approach to discipline. When Code of Conduct expectations are not met, staff will attempt reasonable accommodations to minimize future risks and help the participant to meet behavior expectations. However, when accommodations are attempted and are unsuccessful, or when unsafe or otherwise inappropriate behavior occurs, SEASPAR reserves the right to dismiss a participant whose behavior continues to be unsafe or otherwise inappropriate or whose behavior endangers the safety of him/herself or others.

EMERGENCY FORM (EPACT)

SEASPAR has partnered with ePACT for the completion of each participant's Emergency Form (previously referred to as the Annual Information Form). The Emergency Form is completed once, then updated by the parent/guardian as changes occur or is reconfirmed annually. Once a participant expresses interest in registering for SEASPAR programs, the parent/guardian is sent an email from ePACT and completes the Emergency Form online. Completion of the Emergency Form is required in order to register for programs.

LATE REGISTRATION

The registration deadline is Monday, August 17 at 4:30 pm. Many programs fill quickly, and registering by the deadline is the best way to avoid being put on a waitlist. Participants may not be added to a program with less than 48 hours notice.

LOSS OR THEFT

Label all items brought to programs with the participant's name. Any electronic communication device or adaptive equipment must be checked in with a staff member upon arrival at the program. Participants are encouraged not to bring items of value. SEASPAR is not responsible for theft or loss of personal belongings.

MEDICATION DISPENSATION

The exchange of medication, information, and participants can become hectic as a group prepares to leave for an activity or at the beginning of a program. To be sure that all medication is in order and staff has the appropriate information, we ask you to put medication in SEASPAR provided envelopes, complete the label, and give it to the program supervisor. For the convenience of those who are involved in many programs, or who take medication frequently, we are happy to provide a supply of labeled envelopes.

Any medication changes made must be updated by the parent/guardian in the participant's ePACT Emergency Form.

NON-RESIDENT FEE POLICY

SEASPAR does not accept non-resident participants unless they reside in an unincorporated area. An unincorporated area is property not within the boundaries of a park district or municipality, e.g., village, town, city. A 100% increase in fees is charged for non-residents to participate. Example: A \$20 resident fee is multiplied by two for a total of \$40. Registration forms for non-residents are accepted at any time, but are not processed until resident registration is completed. In all cases, residents are given priority and non-residents are admitted to programs only after all interested residents are served.

PARTICIPANT EXPECTATIONS

SEASPAR provides leisure opportunities for individuals with disabilities, and while participating in our programs, we stress socialization skills, appropriate behavior, and personal appearance. For the dignity and acceptance of

individuals with disabilities, and for their overall self-esteem and enjoyment in community outings, the staff has developed a list of participant expectations. We ask that you assist us in fulfilling these basic guidelines. The participant guidelines were developed for the betterment of our participants, their self-esteem, and socialization.

- Clean, dry clothing.
- No bowel/bladder problems upon arrival at the program. If this is a concern, extra clean clothing, cleanup supplies, and Depends garments must be sent with the participant.
- Attention to body odors (should smell fresh).
- Appearance should be clean.
- Appropriate attire for program participation (gym shoes, warm-ups, or loose-fitting clothing for athletic, sports, or exercise programs). If you have a question about attire, call us at 630.960.7600.

Staff will be consistent in stressing personal hygiene while participants are at programs.

PARTICIPATION

Participants should be willing to voluntarily participate in the scheduled activities. SEASPAR staff encourage and aid, but do not force participation.

PARTICIPANT SUPERVISION

If a participant has not been picked up at the scheduled program end time, the parent/guardian/group home staff will be contacted. After a fifteen minute wait period, emergency contacts will be called. After one warning, a \$10 fee will be applied for every fifteen minutes that a participant is picked up late or the SEASPAR vehicle is delayed. In extreme cases when a participant must be transported home by SEASPAR, a \$20 fee will be charged to the participant's account in each instance. A notice will be sent to the parent/guardian indicating the fee being charged to the account.

PHOTOGRAPH/VIDEO/NAME USAGE POLICY

By registering yourself or your child/ward in a SEASPAR program or event, you consent that SEASPAR has the right to photograph or film you or your child/ward and use the photos/videos for any purpose in any medium of communication, without compensation. Full names of participants may also be published, especially if they participate in athletics or performing arts programming. If there is a specific reason you or your child/ward cannot be photographed or named, please call us at 630.960.7600.

PROGRAM CANCELLATIONS

- A program may be cancelled if the program minimum enrollment is not met.
- Programs may be cancelled due to inclement weather or other emergencies. SEASPAR will either reschedule the program or issue a prorated credit to the participant's account.
- Staff will attempt to reach all participants to inform them of any cancellation or change in programming.
- If a participant cannot attend a program, they cannot send a substitute in their place.

SEASPAR/WDSRA AGREEMENT

SEASPAR and the Western DuPage Special Recreation Association (WDSRA) have an agreement that allows residents of each SRA to register in the weekly programs and special events of the other at their in-district rate. Overnight trips, day camp transportation, and the EAGLES Adult Day Program are not included. Registrations must be submitted by the agency's deadline and are processed after those of the agency's residents. WDSRA serves the communities of Bloomingdale, Carol Stream, Glen Ellyn, Naperville, Roselle, Warrenville, West Chicago, Wheaton, and Winfield. For a copy of the WDSRA brochure, contact WDSRA at 630.681.0962 or visit its website at WSDRA.com.

VIRTUAL PROGRAMMING ACCESS AND PASSWORDS

You will receive an email before programs begin with links and passwords for your programs. These are exclusive to you and cannot be shared. Please retain this email as it will only be sent once. If you do misplace your link or password, please call us at 630.960.7600 or email adminstaff@seaspar.org. Participants who cannot be identified and/or whose enrollment status cannot be confirmed may be removed from a virtual program.

WELLNESS GUIDELINES

In consideration of other participants and staff, and to prevent the spread of contagious illnesses, it is required that participants refrain from attending programs when any of the following conditions exist:

- Fever of 100.4° or higher within the last 24 hours.
- Vomiting within the last 24 hours.
- Persistent diarrhea in conjunction with other symptoms.
- Contagious rash or a rash of unknown origin.
- Persistent cough and/or cold symptoms.

- Symptoms of mumps, measles, chicken pox, strep throat, flu, impetigo, or Coxsackievirus.
- Fatigue due to illness that hinders participation in a program.
- Runny nose with yellow or green discharge.
- Lice or mites.

Please notify SEASPAR if the participant contracts any contagious illness that will affect attendance at a program. Participants should return to programs at the doctor's recommendation, or, if not under a doctor's care, when the symptoms have clearly passed. In cases of COVID-19 or any other respiratory illness, participants may return to programs after quarantine or isolation, based on the current CDC, State, and local guidelines.

For everyone's safety, if a participant is exhibiting symptoms of illness during a program, they will be removed from the group and an approved adult will be required to pick them up.

WEATHER/EMERGENCY CANCELLATIONS

Weekly programs and special events may be cancelled due to inclement weather or other unforeseen circumstances. To check the status of a program, call the SEASPAR office at 630.960.7600 one to two hours before the program begins, or between 3:30-4:30pm for evening programs. If a program is cancelled or an outdoor program is moved indoors, staff attempt to reach all participants to inform them of the change. Programs cancelled due to inclement weather or other emergency may be rescheduled; otherwise, a refund will be issued in the form of a credit on the participant's account.

WAIVER AND RELEASE

SEASPAR is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. SEASPAR continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for activities must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental, and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity. All hazards and dangers cannot be foreseen. Depending on the particular activity, certain risks, dangers, and injuries may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, premises defects, inadequate or defective equipment, inadequate supervision, instruction or officiating, and other risks inherent to the particular activity. In this regard, it is impossible for SEASPAR to guarantee absolute safety.

In virtual program activities, you need to have adequate space to follow the activity instructions and to move safely without exposure to any obstacles, obstructions, steps or anything that could cause possible trips or falls. As a participant, you are solely responsible for assessing whether you can participate safely in the activity in the space you have chosen without accidents.

WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK

Please read this form carefully and be aware that in signing up and participating in this activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against SEASPAR, including its officials, agents, volunteers and employees.

I understand that SEASPAR carries no medical insurance and the participant's family must cover any medical costs incurred. In the event of an emergency, I understand and authorize SEASPAR staff and officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for immediate care for myself or minor child and agree that I will be responsible for payment of any and all medical services rendered.

I have been made aware of the inherent dangers and risks of virtual program activities, and I can participate safely in the space I have chosen.

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims.
